Kabob Lounge promotes Fundraiser for Torrey Pines Best Buddy Club

Restaurant initiates Fundraiser for Children with special needs

SAN DIEGO, CA, March 3, 2016- Kabob Lounge will initiate a fundraiser for the Best Buddies Club at its Carmel Valley location on March 17, 2016. The restaurant will donate 15 percent of each meal to promote the Best Buddies Club initiative. The goal of the club is to bring a sense of community between all members of the Torrey Pines High School student body.

“The fundraiser is an opportunity for the Best Buddies Organization to raise money for its future activities,” said Kabob Lounge President Saeed Jalali. “We feel that it is our obligation to help children and students in need.”

Co-president of the Best Buddies Club, Lousia Nickerson, was thrilled at the chance of a fundraiser at Kabob Lounge. “Initially promoting our fundraiser was hard, but Kabob Lounge made it possible for it to happen,” said Nickerson.

The Best Buddies club fosters and promotes friendships between students with intellectual and developmental disabilities and the rest of the student body. The organization creates buddy pairs with special need students and organizes fun weekly lunch activities.

Nickerson said “I was excited when Kabob Lounge were willing to help us; my mother and I come to Kabob Lounge at least once a week.”
